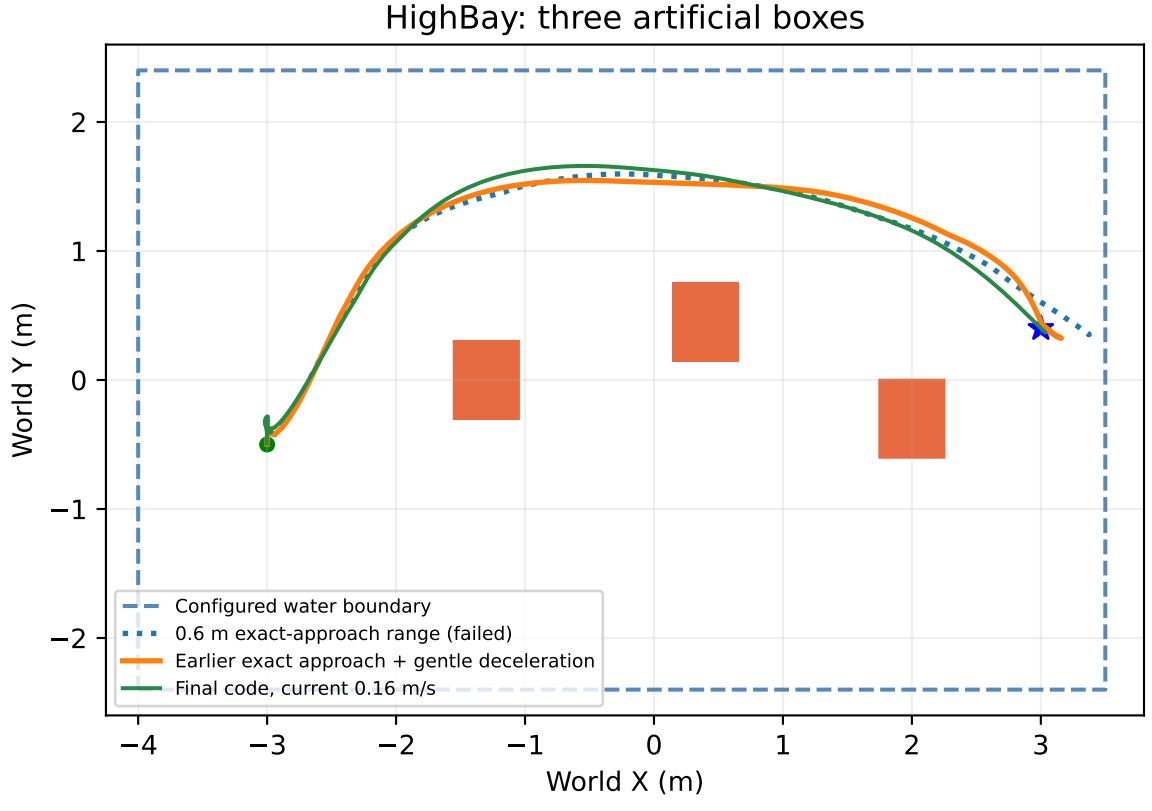
HighBay: no artificial obstacles
World X (m)
World Y (m)
Configured water boundary
0.6 m exact-approach range (failed)
Earlier exact approach + gentle deceleration



HighBay: three artificial boxes
World X (m)
World Y (m)
Configured water boundary
0.6 m exact-approach range (failed)
Earlier exact approach + gentle deceleration
Final code, current 0.16 m/s
